

Phylum Cnidaria

-
-
-

Characteristics

Body Type: _____

Body Organization: _____

-
-

Body Cavity: _____

Body Plan: _____

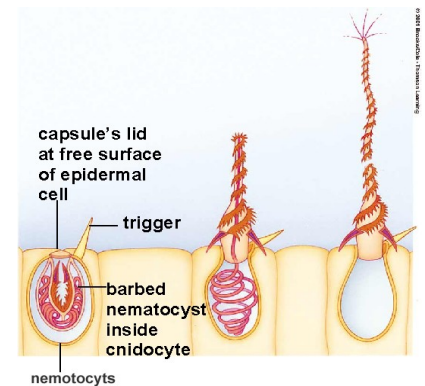

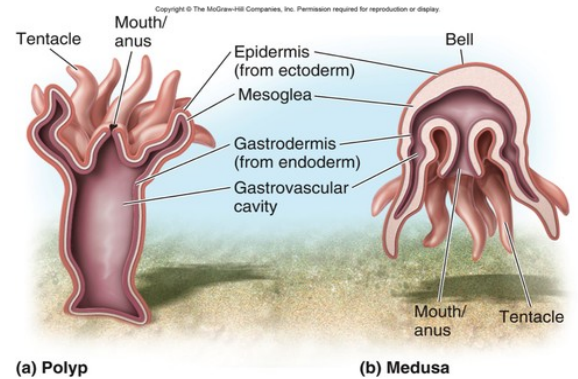

-
-

Ecological Roles

-
-
-
-

Digestive System

-
-
-

Reproduction

Sexual

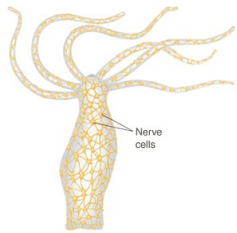

-

-

-

Asexual

-

Nervous System

-

-

-

Circulation and Respiration:

-

-

Excretion:

Classification of Cnidarians

Class Schyphozoa

Class Anthozoa

Class Hydrozoa
